

Corporate News - QUOIN Construction Safety Award

CF Jordan has won the Construction Safety Excellence Award by QUOIN(AGC DALLAS) in the 700000 - 1 million man hours worked category. Our Safety Process is being recognized throughout the state of Texas for our continuous improvement in Safety and the strides we have made of the last 3 years.

According to Dorothy Shaw, VP of QUOIN, CF Jordan scored higher than any other contractor in the competition. We scored 205 out of a possible 225 points.

Our written application will be sent to a review committee for Texas and 3 companies will then be selected to present at national.

This award would not have been possible without the management commitment, employee involvement and overall positive attitude of each and every CF Jordan employee.
