**The Preserve at Fredericksburg wins 2010 Gold Nugget Merit Award**

EL PASO- September 29, 2010 – CF Jordan Construction, a leading Texas based commercial construction and construction management company, recently received the 2010 Gold Nugget Merit Award for Best Multi-Housing Project by *Builder & Developer* magazine. The award was received in the category for Best Multi-Family Housing Project- Up to 3 Stories.

CF Jordan Construction received the Gold Nugget Merit Award for Best Multi-Housing Complex because of its Texas Hill Country Design, direct access units, spacious square footage with large living areas, large patios and balconies, and a unique club.

Darren Woody, CF Jordan Construction President and CEO, stated, "We are honored to receive this award. We work hard on every project and we know residents are going to enjoy living here for years to come. We are proud to have been a part of the team responsible for such a unique and now, award-winning multi-housing complex."

The Preserve at Fredericksburg is located minutes just outside San Antonio's urban activities. The multi- housing complex includes 376 one and two bedroom flats in 34 buildings. The project incorporates the Big House Design and was built environmentally and architecturally sensitive, keeping in mind the growing number of an eco-friendly society. The luxury apartment homes include a swimming and fitness center, business center, pet park, courtyard, single and two-car garages and more.
